GENERAL INFORMATION AND ATHLETE REGISTRATION

WARM UP ARRANGEMENTS

- The **Indoor Area** will be available for warm up. You are asked to access it by the doors rear of the stands and not via the Registration and Results Area. You are asked to keep it clean tidy.

The maximum length of spikes that may be used in all track and field events must be 6mm, with the exception of High Jump and Javelin where maximum 9mm spikes may be used for safety in wet weather conditions.

Athletes must register & collect their numbers from the registration desk as signposted not more than 1.5 hours before, but by at least 1 hour before the start (or warm up) time for your events. For the Track & Field you must then report to the start area at least 15 minutes before your event, or warm up time. If appropriate finals will be run at heats or second round time. If you wish to withdraw from an event prior to competing, please let the athlete registration team know. You must be wearing a club or school vest & the bib numbers issued back & front on the Track & on the front only in Field events.

FIRST AID First Aid is being provided by EMATS Event Medical and Training Services Group.

MEDALS Medals will be awarded to the first 3 placed athletes in each event and will be presented at the presentation area. For Field events winners they will be taken directly there after their event. For track, as soon as the result is announced please make your way to the presentation area. Athletes must collect, or arrange for someone else to, KCAA does not deliver to those who do not collect them. Trophies will again be issued this year. If you have any questions please contact trophies@kcaa.org.uk

PERSONAL IMPLEMENTS If you wish to use personal implements they must be taken to the Technical Team in the equipment room, which is located near the 100m start line, at least an 90 minutes before your event (or warm up) is due to take place.

As Start Information System is in use; all athletes in sprint starts for races up to 400m (unless exempt) **all** athletes must use stadium blocks under UKA competition rules.

PHOTOGRAPHY POLICY KCAA does not require camera users to register the use their cameras as the prolific use of personal tablets & smartphones make this impractical to police. Should one of these photographs appear on a club website or in social media you need to contact them direct should you wish it removed. At some meetings we have press reporters and official championship photographers from whom you can purchase photographs of athletes in competition. Those photographers are easily identified wearing brightly coloured bibs. Also within the competition and medal presentation areas people authorized by KCAA may take photos for publicity & promotional purposes, especially for our Website or Facebook page. When entering these areas you need to be aware that it is assumed that you are giving permission for such photographs to be taken. Should a photo appear on our Website or Facebook page which you would like removed; please contact the track & field committee secretary on trackandfield@kcaa.org.uk.

QUALIFYING FOR NEXT ROUND Track results & seeding for next round will be published electronically at <https://results.deltatiming.co.uk> To access them you will need to have a device with mobile data.

If after qualifying for a second round or final, you have need to withdraw you **MUST** inform the Referee for that event. You will be allowed to withdraw but you will not be allowed to compete again during the course of the 2 days.

RESULTS Field results will be given to athletes before they leave the competition area. Results will be published electronically at <https://meets.rosterathletics.com/public/competitions/details/schedule?id=26607> to access them you will need to have device with mobile data. Full results are published on the KCAA website early next week and be submitted to Powerof10

KCAA is an association of registered clubs within the historic county of Kent and is run entirely by volunteers; without whom athletes would not be trained & competition events would not take place. We are managed by an Executive committee & various event committees who organise and run our yearly programme of events along with our Coaches, Technical Officials & Volunteer helpers. Without more volunteers we will need to reduce what we do and please would you consider if you could help; If you think you may be interested email our Secretary on secretary@kcaa.org.uk who will be able to provide you more information.
