TRAVEL & PARKING INFORMATION

To ensure your enjoyment of the Championships, please read the following information and plan your journey accordingly.

- Please allow extra time to find a parking place and to walk to the course if necessary;
- Follow direction signs to parking places;
- **Where we have provided marshals, please co-operate fully with their instructions;**
- At all times, park with consideration to other road users and local residents;
- Take care crossing roads, especially the A334 and A3051;
- If possible, please carshare to reduce the number of vehicles requiring parking spaces.

The principal parking places are shown on the attached map.

[A] Fairthorne Manor (postcode SO30 2GH, approximate capacity 250 cars) – entry via Main Entrance on A3051

- As many cars as possible will be accommodated within the YMCA Centre, though we expect all spaces to be taken before 11:00. The majority of parking is situated inside the course, so after 11:15 vehicular access and exit will be restricted while races are in progress. Please be patient and obey marshals' directions. If you are concerned that you need to leave at a particular time, you are advised to park at one of the offsite parking places below.
- After the car parking at Fairthorne Manor becomes full, marshals will admit cars to take up spaces vacated by those who have already left.

External Car Parks

If the car parks at Fairthorne Manor are full, cars are advised to use the following sites. Please do not attempt to drive instead to Fairthorne Manor, as there are limited opportunities to turn around and doing so might cause congestion and danger:

[B] Pinkmead Farm Shop (SO30 2HA, approx. 70 cars) – about 10 minutes' walk to the course

[C] Allotments Car Park on B3035 (25 cars) – about 20 minutes' walk to the course

[D] Curdridge Reading Room (SO32 2HE, 60 cars) – about 20 minutes' walk to the course

(Please note that there are a reduced number of spaces here owing to another event. Follow the signs and marshal's instructions)

[E] St Peter's, Curdridge Church (SO32 2DR, 50 cars) – about 25 minutes' walk to the course • Runners and spectators using the above three car parks are advised to walk to Fairthorne Manor via Outlands Lane and the eastern estate entrance – see map.

If you decide to park away from the above parking areas, please obey parking restrictions and show consideration to other road users and, in particular, local residents.

We would like to thank Pinkmead Farm Shop, Curdridge Reading Rooms and Curdridge Parish Council for their assistance in providing parking spaces.

Travelling by train

Botley Station is shown on the map and is about 15 minutes' walk from the course. Check www.southwesternrailway.com for details.
